FR,EN

Education

After completing his studies at the University of Geneva, Dr Chevallier specialised in general internal medicine and then in medical oncology. He is passionate about the management of oncological diseases and personalised treatments, with a rigorous scientific medical approach and the support of complementary therapies.

2022: FMH specialist title in oncology

2018: FMH specialist title in general medicine

2007 - 2011: University of Geneva, Federal Diploma in Medicine

2005: EPFL, Life Sciences and Technologies

Work Experience

2022-2023 Clinical head of the oncology department at the HUG

2016-2023 Medical oncology, clinical research unit, inpatient and outpatient care
Pre- and post-graduate medical teaching at the University of Geneva and Haute Ecole de Santé

2011-2016 Internal and general medicine (inpatient, outpatient, emergency, geriatrics)

Memberships

- Swiss Society for Medical Oncology (SSOM)
- European Society for Medical Oncology (ESMO)
- Swiss Medical Association (FMH)
- Association of Doctors of the Canton of Geneva (AMGe)
