- 2006-2009 APP teaching for 2-3 and 4th year medical students.
- 1995 Anatomy instructor, Anatomy Department, Faculty of Medicine, University of Geneva

Research

Prostate cancer (histo-pathological features, tumour volumes, prognostic factors, focused treatment, MRI-pathology correlation, fusion biopsies, robotic-assisted laparoscopic radical prostatectomy).

Handouts Presentations

- EAU (European Association of Urology), 2002, Birmingham: Poster: treatment of urethral strictures by laser urethrotomy: late outcome
- EAU, 2007, Berlin: Poster: does prostate cancer multifocality preclude selective treatment of clinically relevant tumor foci
- EAU, 2009, Stockholm: Poster: Prognostic significance of tumor volume after radical prostatectomy
- SSU (Société Suisse d'Urologie): oral presentations 2004 - 2009
- various congresses EAU (Vienna 2011, Paris 2012, Stockholm 2014, London 2017, Barcelona 2019)
- various congresses AUA (Atlanta 2012, San Diego 2013, Orlando 2014, New Orleans 2015, San Diego 2016, San Francisco 2018)

Awards

SSU, 2006, Geneva: 2nd prize for best poster (use of MRI angiography in the pre-nephrectomy assessment of living kidney donors)

Publications

In magazines with an editorial policy :

- N. Fleury, J.-P. Vallée, K. Hadaya, P.-Y. Martin, C.E. Iselin : Magnetic resonance imaging as sole radiological assessment by living donor nephrectomy. Urol Int. 2010;84(1):56-60. Epub 2010 Feb 17.
- Wirth G, Hauser J, Caviezel A, Schwartz J, Fleury N, Tran SN, Iselin CE: Robot-assisted surgery in urology. Urologe A. 2008 Aug; 47(8):960-3

In magazines without an editorial policy :

- N. Fleury, C. Iselin : Dérivations urinaires cutanées continentes cathétérissables. Indications et suivi à moyen terme. Med Hyg 2004 : 62 :2407-2410
- N. Fleury, J. Schwartz, K. Hadaya, P.-Y. Martin, C. Iselin. Prélèvement de rein chez le donneur vivant: l'évolution mini-invasive. Rev Med Suisse, 2007 ; 3 :2783-7
- Fateri F., Schwartz J., Saaidia A., Fleury N., Tran S.N., Hauser J., Iselin C. KTP-80 laser endovaporisation of prostate symptomatic hypertrophy in patients under anticoagulant and/or antiagregant therapy. Rev Med Suisse. 2007, Dec 5 ; 3 (136) :2794-7

Abstracts presented at international conferences:

- N. Fleury, F. Schmidlin, C. Iselin. Treatment of urethral strictures by laser urethrotomy: late outcome. Eur Urol Suppl. 1, 2002; 1(1):88. IF = 5,64. Présentation au congrès de l'association européenne d'urologie, Birmingham, 2002
- N. Fleury, M.-F. Pelte, J.-F. Egger, C. Iselin. Does prostate cancer multifocality preclude selective treatment of clinically relevant tumor foci? Eur Urol Suppl 2007; 6 (2): 228. IF=5,64. Présentation au congrès de l'association européenne d'urologie, Berlin, 2007
- N. Fleury, F. Herrmann, M.-F. Pelte, J.-F. Egger, C. Iselin. Prognostic significance of tumor volume after radical prostatectomy. Eur Urol Suppl 2009, IF 5,64. Présentation au congrès de l'association européenne d'urologie, Stockholm, 2009

Memberships

- President of the Groupement des urologues fribourgeois.
- Member of the management board of the Groupement des urologues Romands.
- Member of the Société Suisse d'Urologie (SSU)
- Member of the Association Européenne d'Urologie (EAU)
- Member of the Association Américaine d'Urologie (AUA)
