

Dr. med. Jessie Lamouille

Specialist FMH hand surgery
FMH Specialist in Orthopaedic Surgery

Languages

FR,EN

Education

- FMH specialist in hand surgery
- FMH specialist in orthopaedic and trauma surgery
- European title in hand surgery: European Board of Hand Surgery

Work Experience

As a former senior consultant at the HUG and then at the CHUV, she has developed a perfect mastery of plastic surgery, orthopaedic surgery and neurosurgery, areas of expertise that are essential to the management of the upper limb.

Since 2018, she has established herself in independent private practice.

Her areas of focus include:

- Arthroscopy of the wrist,
- Surgery of arthrosis of arthritis,
- Tendon and ligament surgery,
- Minimally invasive surgery,
- Microsurgery of peripheral nerves and arteries,
- Pathology of sportsmen and musicians,
- Trauma to the hand, wrist, forearm and elbow.
