Rebouthérapie

I've been working as a therapist for over 6 years and am accredited by the supplementary health insurance scheme (ASCA). I first look for the origin of the pain mentioned by the patient to achieve lasting relief.

Just as each therapist has his or her own way of doing things, each "bonesetter" develops his or her own "hand-turners". The therapist works effectively on muscles, nerves, joints and viscera.

Yoga

As a hatha yoga teacher, I am also certified in yoga for cancer survivors.
