Education

Having completed his medical studies in Geneva in 1999, Dr. Montet specialised in radiology in Geneva from 1999 to 2003, then continued his training at Harvard from 2003 to 2005. On his return to Switzerland, Dr. Montet progressively became Head of Clinic (2005), Privat-Doctor (2008), Assistant Professor (2014) and finally Associate Professor (2017). His main areas of interest are technical developments in radiology (iterative reconstructions, artificial intelligence) and oncology and thoracic imaging.

Work Experience

- 2009–2019 Assistant physician, head of the general radiology and oncology unit
- 2005–2009 Head of Clinic - University Hospital of Geneva, Department of Radiology
- 2003–2005 Scientific Head of Clinic - Center for molecular Imaging (CMIR) - Massachusetts General Hospital - Harvard Medical School, Radiology, Boston, USA
- 1999–2003 Assistant physician - Department of Radiology, Division of Radiodiagnostics and Interventional Radiology, University Hospitals of Geneva (HUG).
