Education

Having completed his medical studies in Geneva in 1999, Dr. Montet specialised in radiology in Geneva from 1999 to 2003, then continued his training at Harvard from 2003 to 2005. On his return to Switzerland, Dr. Montet progressively became Head of Clinic (2005), Privat-Doctor (2008), Assistant Professor (2014) and finally Associate Professor (2017). His main areas of interest are technical developments in radiology (iterative reconstructions, artificial intelligence) and oncology and thoracic imaging.

Work Experience

2009-2019	Assistant physician, head of the general radiology and oncology unit
2005-2009	Head of Clinic - University Hospital of Geneva, Department of Radiology
2003-2005	Scientific Head of Clinic - Center for molecular Imaging (CMIR) - Massachusetts General Hospital - Harvard Medical School, Radiology, Boston, USA
1999-2003	Assistant physician - Department of Radiology, Division of Radiodiagnostics and Interventional Radiology, University Hospitals of Geneva (HUG).
