Prof. Dr. med. Alban Y. Neziri

Gynaecology and obstetrics FMH

Languages

DE,EN,SK,HR,MK

Profile

Prof. Dr Neziri has many years of experience in the field of gynaecology, which he gained in various clinics and hospitals in Switzerland, initially at the Inselspital in Bern, later at the University Hospital in Zurich, at the Cantonal Hospital of St. Gallen and Winterthur as well as at the SRO Langenthal and most recently again at the Inselspital in Bern. In addition to gynaecological and obstetric surgery at the Privatklinik Villa im Park, he also offers consultations at his Langete Gynaecology Centre in Langenthal.

Prof. Dr Neziri is a Senior Researcher in the Department of Biomedical Research, Division of Endometriosis and Gynaecological Oncology at the University of Bern.
